

# FUNGOTTO

Rebar  
Safety  
Caps

LIFE-GUARD rebar safety caps made of 100% recycled plastic

FUNGOTTO provides the protection you need from protruding rebar at your construction sites.

These high-quality mushroom style caps are brilliant orange for excellent visibility, and are available in a standard size that fit 6mm to 20 mm diameter rebar.

FUNGOTTO rebar safety caps are of use where the danger of impalement is not present.

## USES

- To protect re-bars diam. 6mm (#2) to 20 mm (#6)
- Package size: 1,000 pcs. per case
